

# Harvester Educational Training Program

## Harvester & Aquaculture Education Training Workshops

A series of workshops are being provided by the Florida Department of Agriculture and Consumer Services and IFAS Sea Grant to assist all harvesters, aquaculture lease holders, shellfish growers, shellfish farmers, and authorized users in Florida attain the **annual** harvester education training required for certification, recertification, or licensing. These requirements are outlined in NSSP Guide Section II, Chapter X.

**No SPL license or aquaculture certificate will be issued without proof of annual training.**
